Principal's Address

To the Class of 1988

Congratulations to each of you on this special occasion, your graduation from Fairhaven High School. You have completed the tasks assigned, you have met your goals and given of yourselves; your public school days are done and the reward of graduation is yours.

During your years at this school the staff has been pleased to see the physical growth, the mental maturity and the spirit of inner confidence you have developed. You have accepted what was given, but you have given too, and your contributions have added to that growth and development.

Look back at these days of your youth with joy and peace. May what you have learned here be the foundation of your future success.

Exchange Students

KAREN SMITH

As an American Field Service Summer Exchange Student, Karen Smith spent eight weeks in Emden, West Germany with the Ernst Otto Rausch family. She has many fond memories of her exchange experience. Karen especially enjoyed the "awesome" food and pastries which are served daily at tea time. She spent a week in Bonn and also toured the Netherlands. She is looking forward to having her German sister Ulrike come for a visit this summer. Karen hopes to return to Emden in the near future

RACHMAD FAUZI

Rachmad "Oji" Fauzi, our American Field Service Exchange Student is from Balikpapan, Indonesia. "Oji," spent the first half of his year in the United States with the Cottrill family in North Fairhaven and spent his remaining time with Mr. and Mrs. Clyde Voter of Sconticut Neck

North Fairhaven and spent his remaining time with Mr. and Mrs. Clyde Voter of Sconticut Neck.

"Oji" had many memorable experiences in Fairhaven. He enjoyed our homecoming floats and dance. He was very excited with his first snow storm, however, he does prefer the warmer climate of Indonesia. "Oji" also enjoyed being a member of the winter track team, and as of this writing, hoped to play baseball in the spring. We all wish "Oji" the very best in his future endeavors.

Junior Prom

May 1, 1987

On Friday, May 1, 1987 the Class of 1988 held their Junior Promenade. Because our auditorium floor was being repaired we broke with tradition and held the prom at the Skipper Motor Inn in the Main Ballroom. It was a beautiful backdrop for the highlight of the evening when we were presented with the King and Queen's Court. Members of the Court were: Laurie Barcellos, Susan Botelho, Carolyn Gormley, Trudy Perry, Kendra Swindon, Kristen Thomas, Scott Francis, Kevin Howell, Scott Langlois, Curtis Mello, and Christian Vaillancourt. Mistress of Ceremonies, Nicole Brunelle began with the presentation of the Prince and Princess. Kathie Charbonneau and Chris Burt were chosen. Nicole continued with the announcement of the King and Queen. Sean McKenna was crowned King and a stunned Heidi Demello was crowned Queen. The evening was a huge success and will always be remembered.

With a record of 9-1 the 1987 Football team came as close to a perfect season as anyone can remember. The highlights of an outstanding season are difficult to fit on one page. Each we brought a more significant icto. The loke and teckonk wins were played before the um filled crowns and cought to the local team over Darmouth on The Day was the grand finale and thus the F.H.S. football team ended their incredible 1987 season, and came within 1/10th of a point from a superbowl berth.

Soccer

A second year program, a second championship! It was the early morning Sunday practices; the great coaching and caring hearts of Coach Galvim and Coach Fox which led us to a 10-1-1 season. Over confidence was evident when a 3-0 lead collapsed to a 5-3 loss to Nauset in the States. However, the sun did shine the following day but with a shadow of a disappointing memory. Remember "come harder . . ., you on vacation . . ., ?!#@ the bed . . .", and most important, "You guys are different, like a family." Thank you team of '87.

Volleyball

Row 1 — M. Bourgault, K. Olsen, S. Carvalho. Row 2 — H. Ashworth, M. Medeiros, Coach Childs, B. Hebert, J. Moniz.

The Volleyball Team spiked their way to a super season ending with a 13-2 conference record. There were many highlights to their successful season. 10-20-87, beating Case High School who hadn't been beaten in two years!!, going to States, beating O.R.R. in the first game of the tournament and beating Ursline Academy in the second. Two on two tournaments in practice. "Whatever" Coach Childs said during time outs.

Field Hockey

Although their record was not impressive, the field hockey team had a lot of bright spots. They ended their season with a 2-2-14 record. The girls all played hard and remained competitive throughout the entire season. Remember ... Camp w/Kelly & Mo ..., Basha and Serge ..., The Twigger crew ... 101% ..., XL Clamper ..., Jo's Ironed Shorts ... Playing Hockey w/the Band ..., Our Cheerleaders ..., Far Goal, Near Goal ..., "Everyone Stretch" ..., "Take a Lap" & ..., PRIDE!

Ice Hockey

This year's 1987-88 Hockey Season was a year of rebuilding and also a year of building character. The bright spots were the 5-4 victory over O.R.R. in the final seconds and the 7-5 crushing win over South Shore Voke. It was the first year for head coach Ed Silva who will return next year to coach the Devils along with the new assistant, Bob Ledger.

Boys' Winter Track

"A winning season is better than a losing season" is the feeling as the boys' track team ended the season with a 4-3 record. Thank you coach Belanger and Medeiros. There were many outstanding individual performances. Remember ... the wild and noisy bus rides, "you're a jerk ... UHH! it is dripping again"... the times you got sick and the feeling of satisfaction after you did the best you could.

In Tribute To

We, the Class of 1988, wish to extend our sincere gratitude to someone who has given so much of herself to the students at Fairhaven High School. Often times we were not pleased to be summoned by her; however, her "no-nonsense" approach and efficient manner resulted in getting things done. Mrs. Martin has always demonstrated professionalism and could also, at any time, be relied upon as a friend. With respect, love, and good wishes for a well deserved retirement we would like to pay tribute to Mrs. Evelyn L. Martin.

Mrs. Evelyn L. Martin

Welcome

The Class of 1988 was fortunate enough to experience the arrival and inception of a new superintendent of schools when Dr. Ronald B. Hoekstra began his position in the spring of our junior year. Dr. Hoekstra spent his first summer in Fairhaven getting to know our schools and our town. He has been a very visible superintendent and many of the students at Fairhaven High School have had personal contact with him. We would like to officially, as a class, welcome Dr. Hoekstra to our town and wish him success in attaining the greatest potential possible for the Fairhaven school system.

Dr. Ronald B. Hoekstra

In Memory Of Timothy Abraham Silva

July 29, 1970-June 23, 1983

As this would have been Timmy's year of graduation, we did not want to have a yearbook without remembering him. As we graduate we need to be reminded that life is a very precious gift. We should all strive to attain and meet our goals and live life to the fullest.
